## Component Mission

The Office of the Director of National Intelligence (ODNI) Deputy Director of Mission Integration (MI) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. MI is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, MI is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. MI is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS) Major Duties and Responsibilities (MDRs)

## Major Duties and Responsibilities (MDR)

Build partnerships with IC agencies and external IC customers to build IC-wide metrics capabilities, receive data, and strengthen feedback measurements to enable IC-wide analytics to inform strategic planning and resource allocation decisions.

Advise and engage senior IC leadership on strategic priorities, opportunities, gaps, and interdependencies to link resources to strategy; lead and oversee the communication of emerging strategic issues and trends, independently evaluate against IC strategic elements, and make recommendations for improvements.

Lead the implementation and institutionalize of a framework to collect and analyze quantitative and qualitative metrics of the Intelligence Community's performance across multiple mission sets. Lead collaboration with relevant stakeholders and ensure appropriate and effective engagement.

Lead IC-wide communities of interest to identify existing sources of relevant data to advance the IC's ability to measure value. When data is lacking, work with stakeholders to collect required data.

Lead, initiate, cultivate, and maintain productive working relationships with senior policymakers across the IC in order to coordinate strategy development activities and evolving requirements and promote the implementation of mission and enterprise objectives.

## Mandatory Requirements

Superior ability to conduct external outreach and to build communities of interest.

Expert knowledge in executing IC studies, assessments, or evaluations or in performance measurement.
